NAME

Kartaly ICBM Complex, Probable Launch Area N

COUNTRY	GEO COORDINATES	WAC	BE NO	NPIC NO	COMOR NO
USSR	53-00N 60-49E	0164	None	None	None

25X1D

Location: 9.5 nm ESE of the complex support facility

25X1D

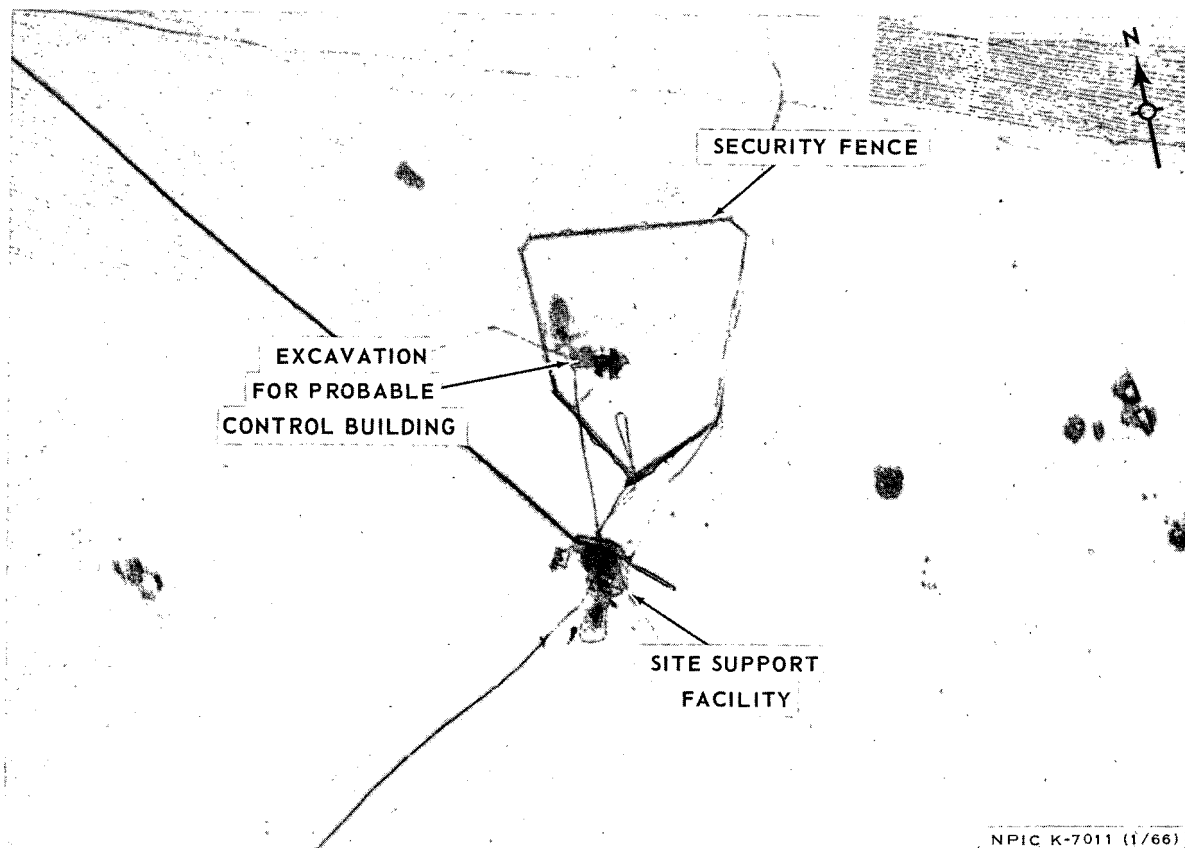

Type: IIIC

Negation Date:

Stage of Construction: Early

Date First Seen

The fenced probable launch area is irregular in shape, and sufficiently large to accommodate an L-shaped electronic facility. Activity within the fence includes an excavation for a probable control building. Ditching in the vicinity of this area leads to the complex support facility and to Launch Area A. No silo excavation is evident of this photography.
